I really enjoyed Waller House Inn. It is really one of the best places in Little Falls and it was much more than I expected. The owners, Raquel and Scott, are very friendly and helpful and I felt at home. I really enjoyed staying with them. Breakfast was great. I also wanted to ask if I can have the recipe for the bread that we always had for breakfast. The one with the apricots and nuts. It was delicious! Waller House Inn is the best! Tom

The Waller House Inn is very nice! Scott and Raquel are wonderful hosts! I enjoyed staying in the Diamond Room. It was big with beautiful furniture. Little Falls is a lovely town. The Waller House Inn is on a quiet street and only a short walk to several nice shops. I'm looking forward to coming back to the Waller House – next time with my husband. Take care, Kim

We stayed at Waller House Inn for five nights and it was just terrific. Our room was clean and nicely decorated. Breakfast was different every morning and really good. We liked the homemade marmalade best. Raquel and Scott also have a gift shop with handmade things to buy. If you want to enjoy a few wonderful and relaxing days – visit Raquel and Scott at the Waller House Inn. Thank you and please save us a room for December! See you,
 George and Elly
